

Fletcher Says “Yellow”

So, Fletcher was in Pre-K this year,

and there was a little girl who was struggling saying the word yellow.

And he came home and told me, he's like, "My friend says Leh-Low."

And I said well, okay, you know a lot of kids say it.

He goes, "Well I told her that that's not the right way to say it,

and that the proper word to say yellow is yellow, not Leh-Low."

And so we were just so excited to hear that our child,

who we thought would be the one in speech,

or not speaking properly, or having trouble with that,

going to school and teaching other kids how to say words properly.
